# Thunder By Knight Regiment

It's the second year for the Thunder by Knight marching regiment; and, under the direction of Domenic Pilato, the group has done extremely well. The new assistant directors have dedicated themselves to TBK, and with their help, the regiment has earned an unforgettable name, and an award-winning reputation, throughout Southern California.

The squads' excellence has also been recognized nationwide. They made an appearance at the Superbowl game, and were invited to perform at the 1988 World Expo in Australia and the Macy's Thanksgiving Parade in New York. Their many awards attest to TBK's acknowledge excellence.

# Enthusiasm soars during Spirit Week

Go, fight, win! This year's Spirit Week started off with a different touch. The week was centered around class themes. The Freshmen dressed up with a 60's theme in mind, the Sophomores as lumberjacks, Juniors as cowboys and the Seniors dressed in their best togas. Throughout the week, there was much spirit shown at the games and the lunchtime activities with Top Ten. The Class Masses helped to display the closeness between our friends and classmates. The Homecoming Pep Rally brought to an end a memorable week of spirit, fun and games, with the Sophomore Class winning spirit week overall.

# Together Through The Years

The Homecoming game and dance provided a great ending to this year's Homecoming festivities. After an exciting Homecoming week and a victorious game against St. Bernard, the dance was a great time for all who attended. Music, which was provided by Split Image, filled the Pavillion of the Los Angeles Airport Hilton as the couples ate and danced. The end of the dance brought Homecoming 1986 to a close, leaving many happy memories and a true sense of BMHS unity, which reflected the Homecoming theme, "Together through the Years."

# Concordia: Dedication to service

Concordia is a group of girls dedicated to serving the Bishop family. This group of girls is involved with a great deal of activities. Among them are: organizing the beautiful Baccalaureate Mass, Freshman testing and Freshman interviews. Concordia also raises funds for a scholarship awarded to a senior girl for outstanding service. The girls are able to offer this scholarship by sponsoring the extravagant Fall fashion show — "Fashion Fantasies" as well as selling Gobble Gobble grams for Thanksgiving and Valentines Day flowers. Concordia is a service organization that represents a unique relationship between student and school. This friendly group is under the direction of Diana Berry and her assistant Barbara Barr.

# Community Service-students lend a helping hand

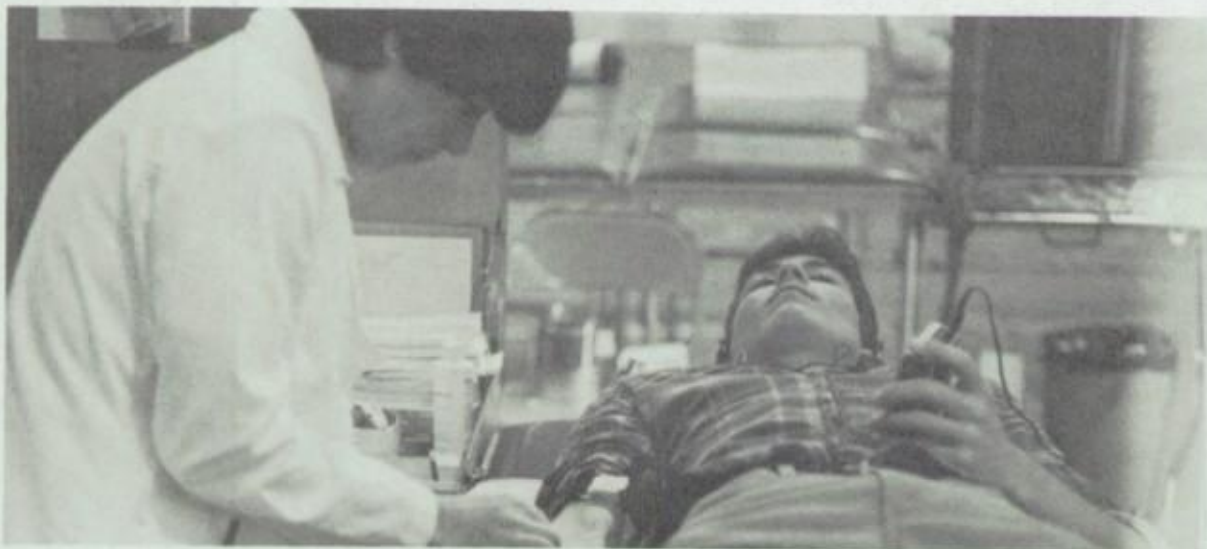

Helping others, improving the community, and caring for people is what Community Service is all about. This enthusiastic group of kids, led by Brother Bob and Mr. Masters, are involved in many activities to help this world become a better place to live. Some of their jobs include going to nursing homes, attending Harbor and Pacific View parties, collecting food for the food drives and toys for the toy drives, working at the blood drives, and helping the poor people of the community. In general, these students are working hard to make people feel loved and to make the community a greater place.

(clockwise from top left): Brother Bob and the gang work on the blood drive. Nancy Grijalva makes a new friend. Mr. Masters and Brother Bob lead the Community Service classes. Joey Zimmerman gives his blood at the blood drive. Keith Slattery offers his blood for the needy. Jackie Newman and Denny Simons count money to give to the poor.

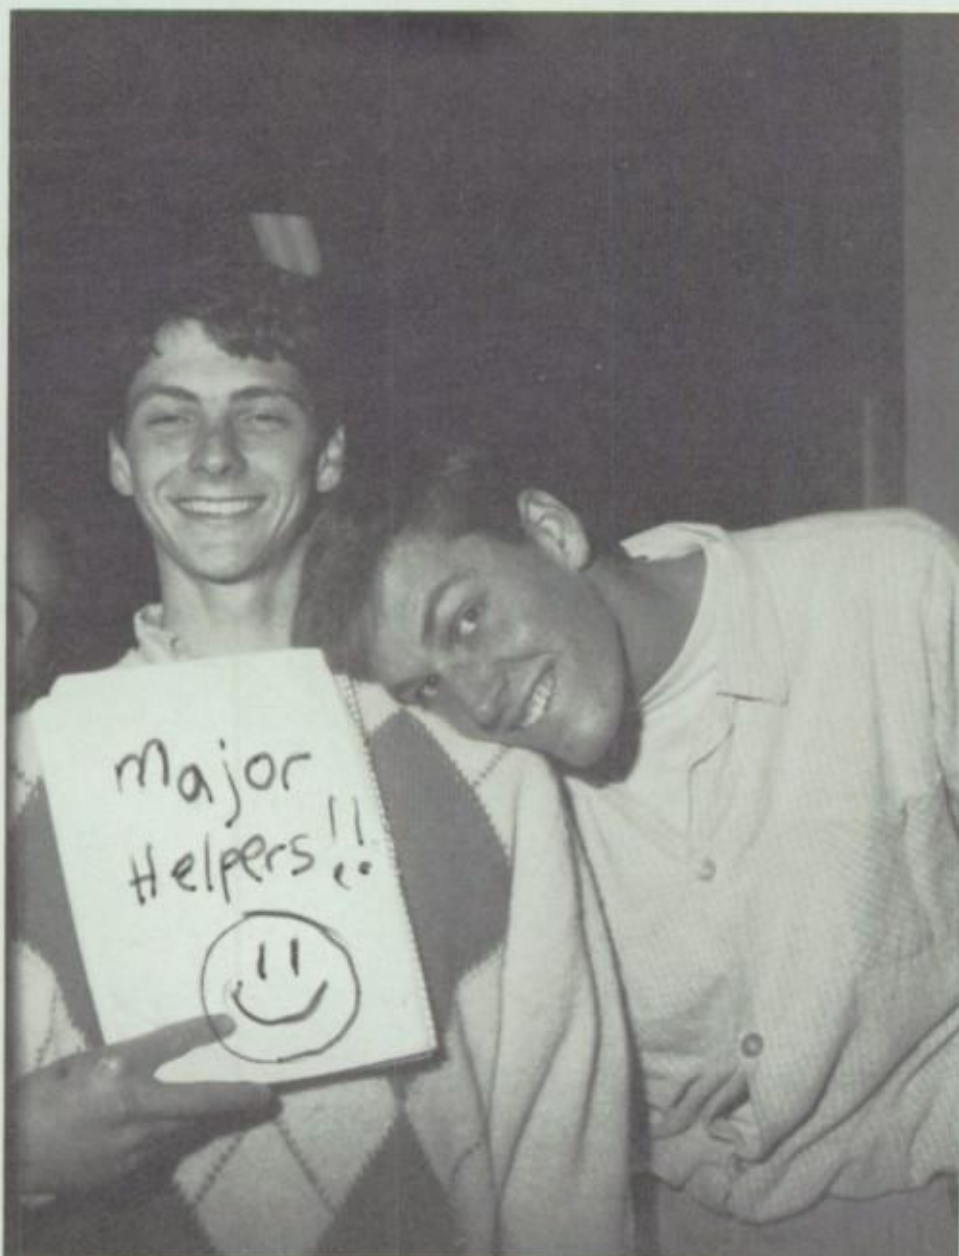

# Campus Ministry-a class with true spirit

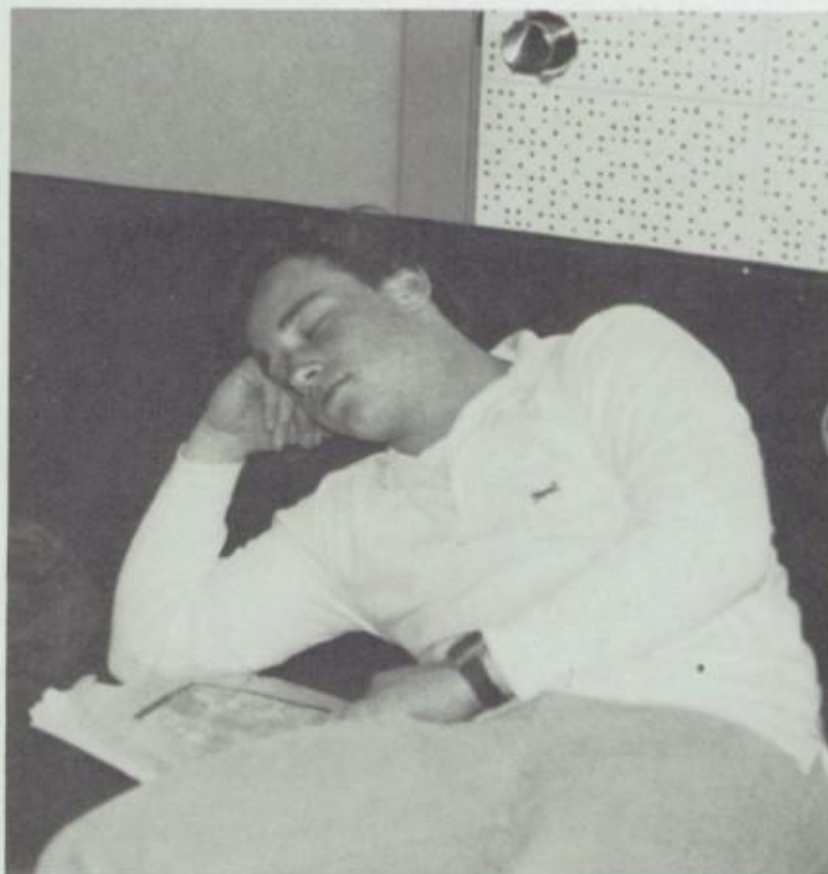

A really special way to learn about and discover your own true self, while at the same time, meeting new people and establishing friendships is to belong to Campus Ministry. It is a great experience to be able to grow in your own personal faith, build up the community, and become a leader in ministering with other peers. Sr. Paula leads this hard working group of students in their involvement in many school activities. Along with being just a normal sixth period class, they plan and participate in the ASB masses, and are involved in the preparation of the student retreats. In general, their job is to spread a feeling of love and spirituality around the campus of B.M.H.S.

(clockwise from top left) Sr. Paula plans the next retreat. Sr. Paula and students enjoy the mass. The students united together to create this banner for the Christmas mass. Tim Bender spends another exciting day in class. Pat Tobin and Chuck Donlon try hard not to pose for the picture. Jim Nelson and Matt Bruce work hard to make the buttons for the Junior retreat.

(clockwise from top left) Seniors show the real spirit of retreat. Rhoel Tanada, Dennis Mescardo, Derick Brice, Danny Munn, Mikey Puellu, and Jimmy Nunez. Seniors leave their mark on Big Bear. Kent Coloma and Aileen Lesaca. Bianca Heijman pigs out on the bus. Denny Simons ...oops!

Every year there are three senior retreats , every year they get covered in the yearbook, and every year the same copy is written about them. But what some people fail to realize is that each retreat is a special unique spiritual experience for each individual. It is almost impossible to describe the senior retreat in it's truest form. If you went, you know what we're talking about, and if you didn't you missed out on a truly special experience.

Traditionally, retreats at Bishop Montgomery have been a special experience for all those who attended, and this year's underclassmen retreats were no exception. Through the laughter and tears, students and faculty both felt a real sense of unity. With emphasis on the themes Hurts and Healings, Lonliness, and Family, the underclassmen were given a chance to know themselves and others better.

To Our Young Man

To Our Little Boy

We love you  
very much,

Mom, Dad  
Junie, Victor, Penny  
and Little Ray

Think of me ...  
when your goals seem more  
distant  
than ever,  
for I am always behind you,  
cherishing your dreams as my  
own,  
my love is constant  
through your successes  
and surrenders,  
for it is based on who you are,  
and not on how much or how  
little  
you achieve.

Think of me ...  
when you feel alone,  
for although we must sometimes be  
apart,  
we are always close in spirit.  
We share a bond of understanding  
that the miles between us  
can't weaken,  
and a loving closeness  
the years ahead won't change.  
I want to celebrate your good times,  
for nothing pleases me more  
than to see your wishes come true.

Think of me ...  
and know I am thinking of you.

I love you, John!

May you grow up to be righteous, may you grow up to be true  
May you always know the truth, and see the lights surrounding you  
May you always be courageous, stand upright and be strong....  
May your hands always be busy, may your feet always be swift  
May you have a strong foundation, when the winds of change shift  
May your heart always be joyful, may your song always be sung  
May you stay forever young, may you stay forever young

Daughter, You're a Winner

A winner sweats  
When no one is looking,  
finds strength and courage  
when all seems lost.

Pain is never on her mind,  
but always in her body.

Her strongest muscle, her heart,  
knows no rest, for it is  
continually striving towards  
its goal.

A winner had pride in her soul  
and humility in her step.

A winner always comes back,  
even when the score says  
differently,  
just to prove that she's a winner.

And you'll always be a winner.

year, and we just seemed to get along great  
right from the start → (lost the purple pen!) → First  
of all - I want to thank you for being there whenever I  
need you - you always brighten me up inside whenever I  
talk to you. I'm sure everyone will write that to you - be-  
cause it is definitely a gift GOD has given you - I mean  
that - I know there's times you hurt too, and if I can ever  
repay you - you know my number - Andy - I hate it when  
I see you hurting and you try to pretend that nothing  
is bothering you - Another thing - I know how much  
you loved Bonnie - and I hope that someday you find  
someone to make you truly happy (even if it's someone  
I don't like, as long as you're honestly happy) - Tomorrow  
is my last day at B.M. (Thank God!) - but I'll definite-  
ly be back to watch you and my 5050 take  
the CIF Championship - I know how much that  
means to you - I'll miss hearing you rap to me and  
I'll miss seeing your little red hat towering above  
everyone in the hall → I'll miss you - and take care  
of my sweetheart on the field in case he needs  
help - even though I doubt he will → (JOE "stud")

Hi Aurelie what's going on? Well not alot with me. I'm really happy I got a chance to meet you but to bad it was so late in the year. But anyway I'm a really sweet, fun, & fun guy to be around both and I want to get to know you better, (still)!!? anytime we have the chance to do so something gets in the way. Hopefully we'll pass that stage. Maybe I really didn't know what to think about you but now I do but can't write in here. I'll tell you when we go out, that is if we ever do. What are you up to you okay? Summer is almost here and I'd like to see you enjoying it. What is it if it's okay with you. Well like I said before I really want to do something with you soon. Maybe this time things won't mess up. Guess what I have to say is that I like you alot. I'll talk to you soon.
